Sir:

Applicants' Interview Summary

This is to summarize the telephonic interviews of approximately January 15, 2008 between Examiner Davienne Monbleau and Thomas F. Marsteller, Jr. and is in furtherance of the Interview Summary of January 17, 2008.

The Applicants' representative and the Examiner discussed the reasons for abandonment and further correction of the Appeal Brief during several telephone conversations on or about January 15, 2008.

Applicants' representative brought to the attention of the Examiner the Form PTOL-462, mailed September 18, 2007, that established the time for response to the Notification of Non-

Compliant Appeal Brief to be October 18, 2007. The PTOL-462 stated that "extensions of this time period may be granted under 37 CFR 1.136."

Applicants' representative subsequently discussed this matter with SPRE Clay LaBalle, who further researched the issue. Then in a following telephone conversation, SPRE LaBalle indicated that an extension of time with a letter was appropriate in this situation in accordance with the PTOL-462 indication that extensions were permissible.

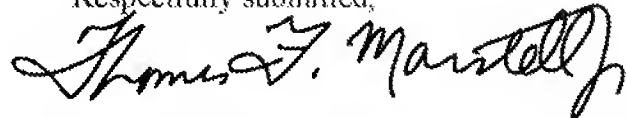

Applicants' representative subsequently left a telephonic message for Examiner Montbleau repeating the determination by SPRE LaBalle.

In accordance with the above identified conversations, applicants have filed a corrected Appeal Brief, transmittal letter, Petition for Extension of Time and the required fee within the three month extension period established by the PTOL-462 in this application.

Conclusion

If there are matters which can be discussed by telephone to further the prosecution of this Application, Applicant invites the Examiner to call the attorney at the number listed below at the Examiner's convenience.

Respectfully submitted,

Thomas F. Marsteller, Jr.
